WORK EXPERIENCE

Medical Specialist: Hygiene and Preventive Medicine Mar 2021 – present
Prevention Department, ULSS 6 Euganea, Padova
Responsible for Oncological Screening Programmes

Medical Affairs Specialist Jun 2020 – Mar 2021
Fidia Farmaceutici, Abano Terme (PD)
Medical Affairs and Scientific Service

Resident student in Hygiene and Preventive Medicine 1.11.2015 – 19.06.2020
Università Cattolica del Sacro Cuore, Rome

Maternal leave Oct 2019 – June 2020

Traineeship at Sanofi Pasteur – Vaccines BU Oct 2018 – Oct 2019
Medical Affairs, Rome
Scientific and epidemiological support for Medical Affairs activities

Traineeship - National Center for Global Health Mar – Sept 2018
National Institute of Health (ISS), Rome
Project management and scientific board in the “TO-REACH: transferring innovation in health systems” project

Traineeship - Hospital Management Nov 2017 – Feb 2018
National Institute for Infectious Diseases "INMI L. Spallanzani", Rome
Medical and Scientific Directorate of an IRCSS institution

Marie-Curie Research Fellow H2020 - PRECeDI Project Apr – Aug 2017
Amsterdam Public Health research Institute, Amsterdam
Personalized PREvention of Chronic Diseases project. Work Packages: Health economics; Organizational models for genetic testing provision

European Public Health Association (EUPHA), Utrecht
Scientific board of the 11th EUPHA Conference - 2017

Editor & Reviewer – Osservasalute 2016 Report Oct 2016 – Apr 2017
National Observatory on Health status in the Italian Regions, Rome

Teaching in Basic Life Support (BLS) courses Mar – Oct 2015
Educational and Training Institutions of the Veneto Region

EDUCATION

Specialization in Hygiene and Preventive Medicine Nov 2015- June 2020
Catholic University of the Sacred Heart, Rome 50/50 cum laude

Doctor of Medicine and Surgery Oct 2008 - Sept 2014
University of Padova 110/110 cum laude

Erasmus student Sept 2012 - July 2013
Universitat Autònoma de Barcelona - Hospital Sant Pau, Barcellona

High School Diploma Sept 2002 - July 2007
“Tito Livio” Classical Institute, Padova 100/100 cum laude

English – fluent (C1)

Spanish – fluent (C1 DELE)

RESEARCH-RELATED SKILLS

Critical analysis of the scientific literature

Medical writing: scientific manuscripts, reports, book chapters

Epidemiology: descriptive and etiologic studies design

Biostatistics: elaboration and interpretation of epidemiological data

Pharmacoeconomics: HTA reports and economic evaluations

Vaccines: knowledge of research, development and vigilance; organization of immunological programs

COURSES

Pharmacoeconomics - Advanced Master Course.

Utrecht Summer School, The Netherlands (July 17-21, 2017)

Erasmus Medical Center Summer Program - Public Health Package.

Rotterdam, The Netherlands (August 7-25, 2017)

Clinical Trial Methodology - GIMBE4young Education.

Bologna, Italy (September 4-8, 2017)

Introduction to Epidemiology - Prof. K. Rothman.

Università Cattolica del Sacro Cuore, Roma, Italy (October 16-20, 2017)

Tools and methods for analyzing the pharmaceutical prescriptions.

Pharmacoepidemiology Department, National Center for Drugs Clinical Research and Evaluation (CNRVF) - ISS, Roma (June 18-20, 2018)

Clinical Governance: methods and tools for the sustainability of the NHS - GIMBE4young Education. Bologna, Italy (June 2018-January 2019)
